

INFINITY Start 60 Blast Chiller & Freezer

Blast Chilling Capacity:
881 Pounds

Blast Freezing Capacity:
771 Pounds

Pan Capacity:
(4) Trolley of GN 1/1

Touch Screen Controls

Main Dishes, Pastry or Bakery? Infinity Evolution allows you to **choose from hundreds of programs** that best suits your work. One software program, for endless combinations of operations. You can trust Afinox experience by selecting the **automatic cycle** for specific products, or personalize the work phases by setting up the **manual cycles**. The **combined cycle** allows to set a complete work process, from the freezing for conservation to the regeneration for service, in a few and easy steps.

Construction Features
