

SpeediClean™ Palmyra Bristle Dual Brush Grid and Pizza Stone Scrubber

All-natural palmyra bristles are durable and heat resistant, and ensure that no metal will ever end up in your food.

If you use a traditional metal brush to clean your cooking grids, the metal bristles can easily come loose and stick on the grid. The next time you grill, those stray metal bristles may adhere to food and be accidentally ingested.

Big Green Egg's all-natural Palmyra Grill Brushes feature durable palm bristle pads that easily – and safely – clean even the messiest cooking grids and baking stones.

- Removable, replaceable scrubber heads.
- Comfortable, ergonomically designed handle.

SpeediClean™ Palmyra Bristle Dual-Brush Grid and Pizza Stone Scrubber

Item Code: 127136
EAN: 0665719127136
