

# REFRIGERATOR

RF-1

Project: \_\_\_\_\_

Item #: \_\_\_\_\_

Quantity: \_\_\_\_\_

Our outdoor front breathing refrigerator is the finishing touch you need to complete any outdoor kitchen. With its stainless steel body and a hammered aluminum interior, this unit is durable enough to withstand all the elements, but easy enough to clean so it will always look brilliant. Also, its variable temperature range and three adjustable shelves make storing everything a breeze.

**Actual dimension:** 23 5/8"W x 23 5/8"D x 34 1/8"H
