# The gelato you want, where you want

Standard range / *Single flavour, countertop*

BC 150 GR

Versatile and compact. Easy to position into any location.

In.Co.Di.S.

Express Gelato

Frozen Yogurt

GEL MATIC

Advantages & Benefits

Evolved control system
In.Co.Di.S., fitted with a 7" touchscreen and remote control.

Production system
Gravity, to easy use.

Storage hopper
Refrigerated hopper holding from 11 litres to meet all production needs.
Fitted with a level sensor.

Mixer fitted as standard
Keeps the mixture moving, preventing the splitting of the solid and liquid parts and improves the ageing of the mixture.

High efficiency stainless steel freezing cylinder
Direct expansion freezing cylinder for fast, non-stop production. Maximum efficiency guaranteed.

Photocell for intelligent dispensing
Automatic cone or cup recognition.

Modern, compact design with ample working space
Elegant lines and compact dimensions to suit all locations and ensure comfortable, ergonomic dispensing.
