

AX-VB3 / AX-VB4
GAS
VERTICAL BROILERS

AX-VB3

AX-VB4

Standard Features

- All heavy-duty stainless steel AISI 304 construction for hygiene
- Unitized base provides a strong and reliable professional appliance
- Infrared burners and can be operated individually
- Electric motor positioned at the top of the unit away from any fats
- Motor rotates both clockwise and counter-clockwise
- If the flame extinguishes, the thermo-elements will cut any gas flow
- Individual burner controls and removable drip tray are furnished
- With our unique E-Z slide dual-rail system, the operator can broil the meats closer or further from the heat source; as well angled
- Available in three or four burner configuration (AX-VB3/AX- VB4)
- 120 volt cord and plug required for motor rotation. NEMA 5-15P
- Broilers are shipped ready for natural gas installation. An LP conversion kit is included with each unit.
- ETL and NSF approved
- Warranty: One year parts and labor
